

# RESUMÉ ASSIGNMENT

## CREATE A RESUMÉ FOR YOUR YEARBOOK STAFF APPLICATION USING THESE STEPS:

### 1 TELL ME ABOUT YOURSELF

- What are your interests?
- Include relevant background information.
- What are your favorite colors?
- What do you want to be when you grow up?
- Tell me anything you think I'd be interested in!

### 2 TELL ME, WHAT JOB DO YOU THINK IS RIGHT FOR YOU?

- **PHOTOGRAPHY:** typically an outgoing personality, attend school events and/or classes, take notes and photos. Must be available after school.
- **LITERARY:** compose stories, proofread and brainstorm coverage. Good at looking for angles and organizing content. Creative.
- **DESIGN:** work with yearbook design software to create original, eye-catching layouts that generate visual interest. Has good planning and organization.

### 3 TELL ME WHY I SHOULD CHOOSE YOU

- What are your qualifications?
- How does your schedule fit this role perfectly?
- What (if any) leadership roles might you want?
- What specific skills do you have?
- What is your experience level?
- Include anything else that might be persuasive.

### 4 MAKE IT PRETTY!

- Well, not necessarily pretty, but dress it up.
- Use design, photography, writing, sales strategy.
- Use whatever your skills allow to show off your talents and your strengths.
- Remember, I need to be able to read it, so use headings to help guide me through the information.

### NOTE

#### **EVERY POSITION ON OUR STAFF IS IMPORTANT.**

And while certain staff and leadership positions are limited, it is my goal to put you in a position that you are interested in having.

**It's time to apply for your yearbook job!**
