

Notes:

Dreams

Interview Questions:

- Do you see yourself in your dreams? Who else is often in your dreams? Who would be your dream date?
- What is the wildest or scariest dream/nightmare you have had? Describe a dream that woke you up and then continued when you went to sleep. Do you dream in color, black and white or both? About what do you daydream? Describe an unfortunate time you were caught daydreaming? Tell me what you think causes and are the meanings of your recurring dream.
- When do you dream: during naps, at night or both? When you dream, do you feel better or less rested when you wake up?
- Tell me where you would go on a dream date? Where are you most likely to drift off into a daydream?
- Why do you think you dream sometimes and not others?
- How often do you remember your dreams? How do your dreams sometimes and not other times affect you when you are awake?

Poll/Survey Question:

- Do you have a recurring dream?
 - Yes
 - No
- Describe:

Photo Possibilities:

- Napping in a lounge or a recliner
