Hallways

Interview Questions:

With whom do you hang out in the hallways? Does it change depending on the time of day? If so, how? What teacher, sponsor or coach routinely uses the hallway for their extended classroom? Contrast the hallway scene before school, between classes and after school.

Describe the most unusual hallway pass that a teacher has given you. For what reasons are you in the hallway during a class period? What are your favorite signs/posters you have seen in the hall. What is your strategy for traveling through the hallways? Tell me about your locker life.

Tell me about a time when you met with a class, an organization or a sports team in one of the halls.

Where do you find the most congestion in school hallways? Where in the hallways do you spend most of your time? In which hallway is your locker?

Why do you find your time in the hall some of the best of the day? Tell me a reason you have been told by a teacher to wait in the hall.

Compute how many minutes you typically spend in the halls during an average school day. How do you decorate your locker so it reflects your personality?
