

Notes:

School Pride

Interview Questions:

Who within school do you feel individually best represents school pride? Which adult at school do you feel exemplifies school pride? Who takes the lead in school improvement projects? Describe which teachers demonstrate a school pride?

In what ways can all students show their school pride? What group within school shows its pride more than any other? List up to five groups that you feel contribute to the sense of pride in school. What single activity best shows pride in school? Describe the single event that best illustrates school spirit? In what little ways do students show their school pride? What makes you most proud of your school? Tell me about a time when you participated in a school improvement project. Define the kinds of pride that can be observed at school.

When do you think pride is at its highest and at its lowest? When do you personally feel most proud of school? Why is pride in school important? Why do you think there are those who have no pride in school? List three ways in which every student can take pride in school? How is pride rewarded at school?

Poll/Survey Question:

Have you been officially recognized in any form for showing your pride in school?

Yes

No

For what:

Photo Possibilities:

Action photos of both typical and atypical ways that individuals show school pride

Students participating in school clean-up and renovation projects

Teachers showing their pride in the school in little and big ways

Reaction shots of those honored for their contributions related to school pride

Module Ideas:

News feature story

Infograph of the results of the poll and survey coupled with a listing

Photo montage of students in pride-oriented activities and events

Personality sketches of students and teachers who epitomize pride

List of activities/events that illustrate school pride with photo enhancement
